

Application field

FOODSTUFF INDUSTRY, FISH SHOPS

The customer's requirements

Weight checking of prepackaged goods in environments with strict hygiene requirements.

Our solution

EASY PESA weighing system made up of:

- Multifunction weight indicator, with excellent weighing performance, waterproof case and keyboard, backlit LCD display, and a built-in rechargeable battery with a long life.
- Weighing platform, fitted with an AISI304 stainless steel loading surface, mounted on a raising frame.

The EasyPesa systems are available also approved for legal for trade use.
